Learning How to Talk about Our Faith: Lessons from Matthew, Mark, Luke, and John

In many ways, the writers of the Gospels faced the same challenge as we -- how do we talk about our faith in a culture that has grown indifferent, resistant, distracted, and hard-of-hearing? In our time together we will explore what we can learn from these four “master teachers” about how to speak in meaningful and pertinent ways of the faith we hold dear.

Special Guest:

Dr. Thomas G. Long, Professor of Preaching – Emory University, Atlanta. **Time Magazine has included Dr. Long on their list of the ten best preachers in the U.S. today.**
